## **Fight This Generation**

## **Pavement**

woke up to people so tall to you i can't so i won't stand up chuck break luck look for the splinters you might see where they come in go down, sweet yardley i won't let you fall down, sweet yardley i won't let you fall down, here, now ah- god damn the guts and the gore nobody's crying 'cause there's no one to score for come up sweet randy i won't let you fall, what you got to lose? what you got to prove? who you gonna screw down here? ...now here now... i am... here now... i am... here... now... your life is about to-to come away from the mirror in a rainshed generation fight this generation (x 15 or so) stop right
