What Took You So Long

Emma Bunton

Yeah, yeah, yeahOh talk to me, can't you see
I'll help you work things out
Oh don't wannabe your enemy
And I don't wanna scream and shoutCos baby I believe in honesty
A man that's stong and true
I shouldn't have to say now baby
That I believe in youWhat took you so long
What took you all night
What took you forever to see I'm right
You know I treat you so good
I make you feel fine
And no I'll never give it up this time
No, no, no
Oh you touched my heart, right from the start
You didn't know what to say
But honey understand, when you take my hand
Everything's okayCos baby I believe reality
It's never far away
I've had enough, so listen baby
I've got something to sayWhat took you so long
What took you all night
What took you forever to see I'm right
You know I treat you so good
I make you feel fine
You know I'll never give it up this time
What took you so long (what took you so long)
What took you all night (what took you all night)
What took you forever to see I'm right
You know I treat you so good (I treat you so good)
I make you feel fine (I make you feel fine)
You know I'll never give it up this time
No, no, no(No, no, no)
No, no, no (no, no, no)
Oh whoa
Oh whoaA man that's stong and true
Baby I believe in honesty
and then be strong and trueI shouldn't have to say now baby
That I believe in you
What took you so long
What took you all night
What took you forever to see I'm right
I make you feel fine

You know I treat you so good
You know I'll never give it up this time
What took you so long (what took you so long)
What took you all night (what took you all night)
What took you forever to see I'm right
I make you feel fine (I make you feel fine)
You know I'll never give it up this time
You know I treat you so good (I treat you so good)
No, no, no
