## **Head Games**

## Foreigner

Daylight, all right I don't know, I don't know if it's real Been a long night and something ain't right You won't show, you won't show how you feelNo time ever seems right To talk about the reasons why you and I fight It's high time to draw the line Put an end to this game before it's too lateHead games, it's you and me baby Head games, and I can't take it anymore Head games, I don't wanna play the Head gamesI daydream for hours it seems I keep thinkin' of you, yeah, thinkin' of you These daydreams, what do they mean? They keep haunting me, are they warning me? Daylight turns into night We try and find the answer but it's nowhere in sight It's always the same and you know who's to blame You know what I'm sayin', still we keep on playin'Head games, that's all I get from you Head games, and I can't take it anymore Head games, don't wanna play the Head gamesSo near, so far away We pass each other by 'cause we don't know what to say It's so clear, I'm sorry to say But if you wanna win you gotta learn how to playHead games, always you and me, baby Head games, 'til I can't take it anymore Head games, instead of makin' love Head games, ohh Head games, always you and me, baby Head games, 'til I can't take it anymore, no more Head games, instead of makin' love, we play Head gamesHead games, in the first degree Head games, yeah, always you and me Head games, why do you do it, baby? Head games, you put me through it, baby Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
