Skeptics And True Believers (Album Version)

The Academy Is

Don't be so scared
We will not lead
You on like you've been doing for weeks
So you're selfish
And I'm sorry

When I'm gone you'll be going nowhere fast Nowhere fastWould you believe me if I said I didn't need you 'Cause I wouldn't believe you if you said the same to me and

Near death

Last breath

And barely hanging on

Would you believe me if I said I didn't need you Don't be so scared to take a second for reflection

To take a leave of absence

See what you're made of

So I'm selfish and you're sorry

When I'm gone you'll be going nowhere fast

So who's selfish

And who's sorryWould you believe me if I said I didn't need you 'Cause I wouldn't believe you if you said the same to me and

Near death

Last breath

And barely hanging on

Would you believe me if I said I didn't need youSomeone

Somewhere said some things

That may have sparked some sympathy

But don't believe

Don't believe a word you've heard about me

Don't be so scared

It's harder for me

Don't be so scared

Don't be so scared

It's harder for me

Don't be so scared

It's harder for me

Don't be so scared

It's harder for me

Don't be so scaredWould you believe me if I said I didn't need you?

'Cause I wouldn't believe you if you said the same to me, and

Near death

Last breath

And barely hanging on

Would you believe me if I said I didn't need youSomeone
Somewhere said some things
That may have sparked some sympathy
But don't believe

Don't believe a word you've heardWould you believe me if I said I didn't need you?
'Cause I wouldn't believe you
Wouldn't believe you now
Would you believe me if I said I didn't need you?
'Cause I wouldn't believe you
Wouldn't believe you
Wouldn't believe you now
