Hey Leonardo (She Likes Me for Me)

Blessid Union of Souls

She don't care about my car
She don't care about my money
And that's real good cause I don't got alot to spend
But if I did it wouldn't mean nothin'She likes me for me
Not because I look like Tyson Beckford
With the charm of Robert Redford

Oozing out my ears

But what she sees

Are my faults and indecisions

My insecure conditions

And the tears upon the pillow that I shedShe don't care about my big screen

Or my collection of DVD's

Things like that just never mattered much to her

Plus she don't watch too much TV

And she don't care that I can fly her

To places she ain't never been

But if she really wants to go I think deep down she knows that

All she has to say is when She likes me for me

Not because I hang with Leonardo

Or that guy who played in 'Fargo'

I think his name is Steve

She's the one for me

And I just can't live without her

My arms belong around her

And I'm so glad I found her once again

And I'm so glad I found her once again

And I'm so glad I found her once again

Gazing at the ceiling as we entertain our feelings in the dark

The things that we're afraid of are gonna show us what we're made of in the end

She likes me for me

Not because I sing like Pavorotti

Or because I'm such a hottie

I like her for her

Not because she's phat like Cindy Crawford

She has got so much to offer

Why does she waste all her time with me

There must be something there that I don't seeShe likes me for me

Not because I'm tough like Dirty Harry

Make her laugh just like Jim Carrey

I'm like the Cable Guy

But what she sees

Is that I can't live without her

My arms belong around her
And I'm so glad I found her once again
Found her once again
I'm so glad I found her once again
Once again
