

# For the Last Time

Trisha Yearwood

God knows I've known some lovers  
In my storied past  
But those and all the others  
They just didn't last  
And now I know why  
For the first time I'm in love  
For the last time My love was like a lyric  
With no melody  
And words are only words  
If there's no poetry  
Now I've found my rhyme  
For the first time I'm in love  
For the last time  
So many bridges burned  
Without a lesson learned  
I thought that I had earned  
This life alone  
But through God's saving grace  
And the beauty of your face  
My heart has found a place  
To call my own I never thought forever'd  
Ever be for me  
I could only guess that happiness wasn't meant to be  
But now both are mine  
For the first time I'm in love  
For the last time  
So many bridges burned  
Without a lesson learned  
I thought that I had earned  
This life alone  
But through God's saving grace  
And the beauty of your face My heart has found a place  
To call my own I never thought forever'd  
Ever be for me  
I could only guess that happiness wasn't meant to be  
But now both are mine  
For the first time I'm in love  
For the last time For the first time  
I'm in love for the last time
