Hacker

Death Grips

goin back to Tangier with some jordans and a spear post-chrisitan shit post chicken or the egg addiction shit pass the sherm stick neo-reality be the freak you wanna see just dont follow me im on a journey to the center of three grab your fucking chain and drag you through the bike lane while everybody's like no i got this pregnant snake stay surrounded by long hairs a plethroa of maniacs and spiral stairs make your water break in the apple store sink or swim, who fucking cares cut the birth cords press send yeah thick gaga cant handle this shitheaded for the sammy davis wing throw up a black hole at the entrance of linens n things on the way never call it a day visit Tesla's grave for the ninth time today still on the way bigger wigs (when you come out your shit is gone) i'm in your area i know the first three numbers i'm in when you come out your shit is goneyou'll catch a jpeg to the head über reach you're an intern

on wikileaks
most loved therefore most hated
come and knock on the door we've been waiting for you
game changer

reclusive aggressive
yingin and yanging noided
info warrior jack the hacker
the rolling stoner
profit on disastermy existence is a
momentary lapse of reason
got the DNA of gothic lemons
shred it thirteen times
out of eleven
your bad ideas are the ATM
shed my skin
leave it for the homeless
to sleep it

prodigal, fuck that nautical teachin bitches how to swimi'm in your area

i know the first three numbers

i'm in

(teachin bitches how to swim)now backstroke through your k-hole

dont run

ya might slip

the table's flipped now we got all the coconuts bitchburmese babies under each arm

screamin beautiful songs the cray cray ultra contrarion havin conversations with your car alam when you come out

your shit is gone

soon your crew will be servin sandwiches named after me

vietnamese style fool, please

front row at the mass gamesuntracable by name you speak of us in certain cicles you will be dethroned or detained

GONEi'm in your area i know the first three numbers

i'm in
