

# I'll Be Satisfied

Jackie Wilson

Just a kiss, just a smile  
Hold my hand, baby  
Just once in a while.  
That's all need, that's all I need  
And I'll be satisfied! Think of me when you're away  
Call me darling  
Just once a day  
That's all need, that's all I need  
And I'll be satisfied!  
True love came to me when I met you  
True love makes me know I won't forget you  
When you're around me, it makes me feel  
Life is worth living, baby, love is so forgiving! Just a kiss, just a smile  
Hold my hand, baby  
Just once in a while.  
That's all need, that's all I need  
And I'll be satisfied! True love came to me when I met you  
True love makes me know I won't forget you  
When you're around me, it makes me feel  
Life is worth living, baby, love is so forgiving!  
Think of me when you're away  
Call me darling  
Just once a day  
That's all need, that's all I need  
And I'll be  
No, no, no, no, no, no, no  
That's all need, that's all I need  
And I'll be  
Yay, yay, yay  
That's all need, that's all I need  
And I'll be so satisfied!  
That's all need, that's all I need  
And I'll be  
Baby, baby, baby, baby, baby
