

I'll Be Satisfied

Jackie Wilson

Just a kiss, just a smile
Hold my hand, baby
Just once in a while.
That's all need, that's all I need
And I'll be satisfied! Think of me when you're away
Call me darling
Just once a day
That's all need, that's all I need
And I'll be satisfied!
True love came to me when I met you
True love makes me know I won't forget you
When you're around me, it makes me feel
Life is worth living, baby, love is so forgiving! Just a kiss, just a smile
Hold my hand, baby
Just once in a while.
That's all need, that's all I need
And I'll be satisfied! True love came to me when I met you
True love makes me know I won't forget you
When you're around me, it makes me feel
Life is worth living, baby, love is so forgiving!
Think of me when you're away
Call me darling
Just once a day
That's all need, that's all I need
And I'll be
No, no, no, no, no, no, no
That's all need, that's all I need
And I'll be
Yay, yay, yay
That's all need, that's all I need
And I'll be so satisfied!
That's all need, that's all I need
And I'll be
Baby, baby, baby, baby, baby
