I'll Be Satisfied

Jackie Wilson

Just a kiss, just a smile Hold my hand, baby

Just once in a while.

That's all need, that's all I need

And I'll be satisfied! Think of me when you're away

Call me darling

Just once a day

That's all need, that's all I need

And I'll be satisfied!

True love came to me when I met you

True love makes me know I won't forget you

When you're around me, it makes me feel

Life is worth living, baby, love is so forgiving!Just a kiss, just a smile

Hold my hand, baby

Just once in a while.

That's all need, that's all I need

And I'll be satisfied!True love came to me when I met you

True love makes me know I won't forget you

When you're around me, it makes me feel

Life is worth living, baby, love is so forgiving!

Think of me when you're away

Call me darling

Just once a day

That's all need, that's all I need

And I'll be

No, no, no, no, no, no

That's all need, that's all I need

And I'll be

Yay, yay, yay

That's all need, that's all I need

And I'll be so satisfied!

That's all need, that's all I need

And I'll be

Baby, baby, baby, baby, baby
