(Tarot Woman)
I don't wanna go
Something tells me no, no, no, no
But traces in the sand
The lines inside my hand say go go go Beware of a place
A smile on a bright shiny face
I'll never return, how do you know
Tarot woman, I don't know, I don't know She can take you there
The entrance to the fair, my, my, my
Ride the carousel
Cast a music spell, you can fly, fly
Beware of a place
A smile on a bright shiny face
I'll never return, how do you know
Tarot woman, I don't know, I don't know (Stargazer)
High noon
Oh I'd sell my soul for water
Nine years' worth
Of breakin' my back
There's no sun in the shadow of the wizard
See how he glides
Why he's lighter than air
Oh I see his face Where is your star
Is it far, is it far, is it far
When do we leave
I believe, yes, I believe
* in the heat and the rain
With whips and chains
Just to see him fly
So many die We built a tower of stone
With out flesh and bone
Just to see him fly
Don't know why
Now where do we go (Kill The King)
Danger, danger the queen's about to kill
There's a stranger, stranger and life about to spill
Oh no, move me out of harm
I need a spell and a charm
Fly like the wind
I'm no pawn, so be gone, speed on and on
Kill the king
Tear him down

Kill the king
Strike him down Power, power it happens every day
Power, devour all along the way
Oh no, move me out of harm
I need a spell and a charm
Fly like the wind
I'm no pawn, so be gone, speed on and on
Kill the king Strike him down Treason, treason, the specter looms again
Treason, treason, the realm is safe and then
Oh no, move me out of harm
I need a spell and a charm
Fly like the rainbow
I'm no pawn, so be gone, speed on and on Kill the king
Tear him down
Kill the king
Got to take his crown Kill the king
Got to take his crown
Kill the king
Tear him down
