

# Lightning (feat. John Rzeznik) [Audiobot Remix]

## Cash Cash

I was all you thought you ever needed  
So you said: How'd I let this slip away?  
On the floor, cold and barely breathing  
So it goes!

Sleeping all my dreams away  
'Till you found me Like a lightning bolt to heart  
You woke me up, woke me up  
Yeah, you brought me out of the dark  
With just one spark, just one spark!  
Now I can feel your pulse  
Kick starting this lifeless soul  
Like a lightning bolt to heart  
You woke me up, woke me up  
Yeah!

I was all you thought you ever needed  
So you said: How the hell did I let this slip away?  
How I lost myself?

I was stumbling right on the edge  
You pulled me back, for one last dance  
Yeah, I was lost on the darkest road  
I need your light to lead me home! Now I can feel your pulse  
Kick starting this lifeless soul  
Like a lightning bolt to heart  
You woke me up, woke me up  
Yeah!

Like a lightning bolt to heart  
You woke me up, woke me up  
Yeah!

Can you feel me  
Like I feel you?  
Can our hearts still be together?  
This is our time,  
Don't you waste it  
We can sing this song forever  
Can you feel me  
Like I feel you?  
Can our hearts still be together?  
This is our time,  
Don't you waste it

We can sing this song forever. Now I can feel your pulse

Kick starting this lifeless soul  
Like a lightning bolt to heart  
You woke me up, woke me up  
Yeah!
