

How You Want It? (feat. King Combs)

Teyana Taylor

Tell me what you want (Oh)
Tell me what you want (Oh)
Tell me what you want (Oh yeah) Tell me what you want (Oh)
Tell me what you want (Oh yeah)
Tell me what you want
Tell me what you want
(Give it!) Uh, am I any be?
Tonight I went off hogging you to sleep
To, to to put it deep (Toot toot)
Baby you know I'm a different type of freak
(Yeah yeah yeah)
So what you tryna do to me?
Don't be shy, talk dirty to me
Let's take a shot right here and see
Tell me what you want (How you want it?)
Ass up and face down (With the lovin')
Baby let me know (Where you need it)
Four course meal chop down (Will ya eat it?)
Make me curl my toes (Tell me)
What's the quickest way to turn you on?
I'm on it, bed alone all night
Tell me what you want Tell me what you want, I will do it all the way
Make you scream my name, I
I keep it nice and tight, boy relax in any ride
Do the things we like, oh!
See if you the one, wanna see if you the one
I'm a nasty bitch though I'ma fuck you like I should
Know that you been deep and I'm a savage
And the pussy good so if you want it you can have it
(Yeah yeah)
Climb up on as if make it a habit (Yeah yeah)
Struggling with a bitch is not my average (Yeah yeah)
Tell me what you want from me (How you want it?)
Ass up and face down (With the lovin')
Baby let me know (Where you need it)
Four course meal chop down (Will ya eat it?)
Make me curl my toes (Tell me)
What's the quickest way to turn you on? (Ay)
I'm on it, bed alone all night (Ay)
Tell me what you want (Ay yeah) Tell me all the things you see in the kid
Is it me? Or is it just the life that I live
Just tell me what it is 'cause I can make you feel (What is it)

How he never did as long as you keep it real (What what)
Yeah I know I'm young but I'm old enough
I'ma stand in that pussy, have you foldin' up (Ah-uh)
Face down, ass up, girl you know what's up
Eat it up, beat it up, make a toast her love I got no time to waste and no time to chase (Uh)
Gotta move by Christian's pace (C'mon)
Hold it down when it's all at stake
On your curves, girl I'm slowin' my breaks
No guarantees I'ma make it home safe (Damn)
I'm so stuck in my ways, outta town for a couple of days
But when I'm back I'll be right on my way
And I got nothin' to say
No games girl you know my style
I got the recipe to make you smile, what? (Tell me what you want)(How you want it?)
Ass up and face down (With the lovin')
Baby let me know (Where you need it)
Four course meal chop down (Will ya eat it?)
Make me curl my toes (Tell me)
What's the quickest way to turn you on? (Ay)
I'm on it, bed alone all night (Ay)
Tell me what you want (Tell me what you want)
(Tell me what you want) Oh
(Tell me what you want) Oh yeah
(Tell me what you want) Oh
(Tell me what you want) Oh
(Tell me what you want) Yeah
Tell me what you want
