

# Black Heart Inertia

## Incubus

Walking alone tonight  
'Cause I've only got room for two  
Me and my burdened black heart  
It's all we know how to do Yet I look for a bigger bang  
Than the kind I continually see  
Sick of all this inertia  
I want a human being Lover, can you help me?  
I'm a child lost in the woods  
A black heart pollutes me  
And I think... You're a mountain that I'd like to climb  
Not to conquer, but to share in the view  
Pulled by a false inertia  
Pushed out by circumstance  
Pistol firing at my feet  
That's coercing me to dance Yet I look for a bigger bang  
Than the kind I'm sorry to know  
Here I am, first foot of the climb  
Watch me go Lover, can you help me?  
I'm a child lost in the woods  
A lit path eludes me  
And I think... You're a mountain that I'd like to climb  
Not to conquer, but to share in the view  
You're a bonfire and I'm gathered 'round you  
Set this old black heart inertia aflame Send it away...  
You're a mountain that I'd like to climb  
Not to conquer, but to share in the view  
You're a bonfire and I'm gathered round you  
Set this old black heart inertia aflame Set it aflame, send it away...
