

Open Your Heart

Madonna

Watch out!

I see you on the street and you walk on by You make me wanna hang my head down and cry

If you gave me half a chance you'd see

My desire burning inside of me

But you choose to look the other way

I've had to work much harder than this

For something I want, don't try to resist me

Open your heart to me, baby I hold the lock and you hold the key

Open your heart to me, darlin'

I'll give you love if you, you turn the key

I think that you're afraid to look in my eyes

You look a little sad, boy, I wonder why

I follow you around but you can't see

Too wrapped up in yourself to notice

So you choose to look the other way

Well, I've got something to say

Don't try to run I can keep up with you

Nothing can stop me from trying, you've got to

Open your heart to me, baby I hold the lock and you hold the key

Open your heart to me, darlin'

I'll give you love if you, you turn the key

Open your heart with the key One is such a lonely number

Ah, ah, ah Open your heart, I'll make you love me

It's not that hard, if you just turn the key

Don't try to run I can keep up with you

Nothing can stop me from trying, you've got to

Open your heart to me, baby

I hold the lock and you hold the key

Open your heart to me, darlin'

I'll give you love if you, you turn the key

Open your heart with the key

Open your heart, I'll make you love me

It's not that hard, if you just turn the key

(repeat and fade)
