

# If I Had You

Adam Lambert

So I got my boots on, got the right 'mount of leather  
And I'm doing me up with a black color liner  
And I'm workin' my strut but I know it don't matter  
All we need in this world is some love  
There's a thin line 'tween the dark side and the light side baby tonight  
It's a struggle gotta rumble trying to find it But if I had you, that would be the only thing that I'd  
ever need  
Yeah if I had you, then money fame and fortune never could compete  
If I had you, life would be a party it'd be ecstasy  
If I had you  
You you you you you  
If I had you  
From New York to LA getting high rock n' rollin  
Get a room trash it up 'til it's ten in the morning  
Girls in stripper heels, boys rolling in Maseratis  
What they need in this world is some love  
There's a thin line between a wild time and a flat line baby tonight  
It's a struggle gotta rumble tryin' to find it But if I had you, that would be the only thing that I  
would ever need  
Yeah if I had you, then money fame and fortune never could compete  
If I had you, life would be a party it'd be ecstasy  
If I had you  
You you you you you  
If I had The flashing of the lights  
It might feel so good but I've got you stuck on my mind, yeah  
The fashion and the stage it might get me high  
But it don't mean a thing tonight  
That would be the only thing that I'd ever need  
If I had you, then money fame or fortune never could compete  
If I had you, life would be a party it'd be ecstasy  
If I had you  
You you you you you  
If I had you If I had you  
That would be the only thing that I'd ever need  
Yeah if I had you, then money fame and fortune never could compete (never could compete  
with you)  
If I had you, life would be a party it'd be ecstasy (it'd be ecstasy with you)  
If I had you  
You you you you you  
If I had you
