

Heavy Duty

Judas Priest

I know you like it hot
Love to writhe and sweat
You think that this feels good
You ain't felt nothin' yet Red-hot licks in the palm of my hand
Feel your body quake
As we hit the promised land
I'm heavy duty
I'm heavy duty We'll rise inside ya till the power
splits your head
We're gonna rock ya till your metal
hunger's fed
Let's all join forces
Rule with an iron hand
And prove to all the world
Metal rules the land
We're heavy duty
We're heavy duty
We're heavy duty
So come on let's tell the world
