

If You Never Come to Me (Inútil Paisagen)

Frank Sinatra & Antônio Carlos Jobim

Writer(s): Antonio Carlos Jobim and Ray Gilbert

There's no use of a moonlight glow
or the peaks where winter snows
Whats the use of the waves that break in the cool of the evening
What is the evening without you
Its nothingIt may be you will never come
If you never come to me
Whats the use of my wonderful dreams
And why would they need me
Where would they lead me without you
To nowhere
Whats the use of my wonderful dreams
And why would they need me
Where would they lead me without you
To nowhere
