

# Melanie

## "Weird Al" Yankovic

Melanie  
What can the problem be?  
Sweet Melanie  
Why won't you go out with me? She lived across the street  
On the fifteenth floor of the Gilmore Building  
I saw her in the shower reaching for some soap I knew she had to be the girl for me  
And to think I probably never would have found her  
If I hadn't bought that telescope Oh, Melanie  
What can the problem be?  
Sweet Melanie  
Why won't you go out with me?  
I just can't understand it  
Why won't you return my phone calls?  
Are you still mad I gave a Mohawk to your cat? If you'd just say the word  
I'm certain that our love would last forever and ever  
Or are you too dumb to realize that? Melanie  
What can the problem be?  
Sweet Melanie  
Why won't you go out with me? How can you ignore me when you know  
That I can't live without you?  
I have to go through your garbage  
Just to learn more about you Melanie, ooh  
Oh, sweet Melanie  
Why won't you go out with me?  
You weren't impressed when I tattooed  
Your name across my forehead  
You wouldn't listen when I promised to be true I couldn't stand it, so I jumped out  
From the sixteenth story window right above you  
Now I may be dead but I still love you Melanie  
What can the problem be?  
Sweet Melanie  
Why won't you go out with me? Melanie  
What can the problem be?  
Sweet Melanie  
Why won't you go out with me? I'm singin' Melanie  
What can the problem be?  
Sweet, sweet Melanie  
Why won't you go out with me? I'm singin' Melanie  
What can the problem be?  
Sweet Melanie  
Why won't you go out with me? I'm singin' Melanie  
What can the problem be?

Sweet Melanie  
Why won't you go out with me?
