

# What It's Like

## Everlast

We've all seen the man at the liquor store beggin' for your change  
the hair on his face is dirty, dreadlocked and full of munge  
he asks a man for what he could spare with shame in his eyes  
get a job you fucking slob is all he replied. God forbid you ever had to walk mile in his shoes  
'cause then you really might know what its like to sing the blues  
then you really might know what its like (what its like)  
then you really might know what its like (what its like)  
then you really might know what its like (what its like)  
then you really might know what its like (what its like)  
Mary got pregnant from a kid named Tom who said he was in love  
he said don't worry 'bout a thing baby doll, I'm the man you've been dreamin' of  
but three months later he say he wont date her or return her calls  
and she swear 'god damn if I find that man Im cutting off his balls'  
then she heads for the clinic and she gets some static walking through the door  
they call her a killer and they call her a sinner and they call her a whore God forbid you ever had  
to walk mile in her shoes  
'cause then you really might know what its like to have to choose  
then you really might know what its like (what its like)  
then you really might know what its like (what its like)  
then you really might know what its like (what its like)  
then you really might know what its like (what its like) I've seen a rich man beg, I've seen a  
good man sin, I've seen a tough man cry  
I've seen a loser win and a sad man grin, I heard an honest man lie  
I've seen the good side of bad and the down side of up and everything between  
I licked the silver spoon, drank from the golden cup and smoked the finest green  
I Stroked the fattest dimes at least a couple of times before I broke their hearts  
you know where it is yo, it usually depends on where you start.  
I knew this kid Max  
He used to get fast stacks out on the corner with drugs  
he liked to hang out late at night, liked to get shit faced and keep pace with thugs  
Until late one night there was a big gunfight  
Max lost his head  
he pulled out his chrome .45, talked some shit and wound up dead  
Now his wife and his kids are caught in the midst of all his pain  
you know it crumbles that way, at least that's what they say when you play the game.  
God forbid you ever had to wake up to hear the news  
'cause then you really might know whats its like to have to lose  
and then you really might know what its like (what its like)  
then you really might know what its like (what its like)  
then you really might know what its like (what its like)  
to have to lose.
