

Ease My Mind

Skrillex

In a, in a deep sleep
Awakened, by the trackers
Keep you hidden, here with me
Was not prepared, for a dead end
Take me, take me downtown
Tonight, I want to forget
I want lights to, blind me
I want beat, want to disappear (to disappear)
Oh DJ, ease my mind will you
Play that song again, 'cause we were in love
Before, before the rain began
And if I cry, I cover my ears
Oh DJ
Play that song again, 'cause we were in love
Oh...Pla-pla-pla-pla-play that song again, 'cause we were in love
Take me, take me downtown
Tonight, I want to forget
I want lights to, blind me
I want beat, want to disappear
Oh DJ, ease my mind will you
Play that song again, 'cause we were in love
Before, before the rain began
And if I cry-y, cover my ears
Oh DJ
Oh DJ
Pla-pla-pla-pla-play that song again, 'cause we were in love
Oh DJ
Ease my mind, will you?
Play that song again
'Cause we were in love
(DJ)
Oh DJ
