

# Twist

## Tones On Tail

As tomorrow's man and a topless bee  
Jump over your head, remember me  
Don't get confused by a dying sky and sea  
The panda club has an odds on bet  
Mr. Music man needs a string quartet  
On the planet where the alphabet starts with Z  
Energy and confidence  
Buzz high in your consciousness  
Don't get confused by an early morning rain  
? Cause the panda club has an odds on bet  
Mr. Music man needs a string quartet  
On the planet where the alphabet starts with Z  
Man and moon plays a melody  
That you can't forget, so remember me  
Twist with tomorrow's man and me  
Man and moon plays a melody  
That you can't forget, so remember me  
Twist with tomorrow's man and me  
Twist with tomorrow's man and me  
Twist with tomorrow's man and me
