

Twist

Tones On Tail

As tomorrow's man and a topless bee
Jump over your head, remember me
Don't get confused by a dying sky and sea
The panda club has an odds on bet
Mr. Music man needs a string quartet
On the planet where the alphabet starts with Z
Energy and confidence
Buzz high in your consciousness
Don't get confused by an early morning rain
? Cause the panda club has an odds on bet
Mr. Music man needs a string quartet
On the planet where the alphabet starts with Z
Man and moon plays a melody
That you can't forget, so remember me
Twist with tomorrow's man and me
Man and moon plays a melody
That you can't forget, so remember me
Twist with tomorrow's man and me
Twist with tomorrow's man and me
Twist with tomorrow's man and me
