

# I'm Not Perfect (feat. Anthony Hamilton)

J Moss

I'm...  
Anybody ever been here...  
I just want to take a lil time and speak my peace(J. Moss)  
Everyday is a mad race movin at a fast pace... ya'll  
Never seem to get a break never seem to get a way.Naw  
If it ain't working hard its being a dad or mom...  
I'll be the first to admit of neglecting the relationship,...With God(Not talking to u)  
With God(Not spending time with u)  
With God(Like I should forgive me I'll do better)  
I'm Not Perfect but I'm trying  
(when u needed me there were a few times I did not come running)  
I'm Not Perfect but I'm working  
(when u wanted more I would give u less and Lord I'm sorry)  
I'm Not Perfect but I'm getting closer the more that I know u  
(Please give me another chance)  
I'm Not Perfect but I'm better than I was on yesterday(Anthony Hamilton)Everytime I think  
about the times u bail me out God  
(You've been so good to me)  
Just want to scream and shout  
If it ain't a conference call or playing basketball  
I may forget to pray its been part of my dayWith God(for not talking to u)  
With God(never saying thank u)  
With God(Like I should forgive me I'll do better)  
I'm Not Perfect but I'm trying  
(when u needed me there were a few times I did not come running)  
I'm Not Perfect but I'm working(when u wanted more I would give u less and Lord I'm sorry)  
I'm Not Perfect but I'm getting closer the more that I know u  
(Please give me another chance)  
I'm Not Perfect but I'm better than I was on yesterdayI'm Not Perfect but I'm trying  
(when u needed me there were a few times I didn't come running)  
I'm Not Perfect but I'm working  
(when u wanted more I would give u less and Lord I'm sorry)Vamp  
I'm Not Perfect  
(Ur the one I love the most)  
So how can I  
(Forget to say I love u)  
Always...  
(How u look beyond my pride inside and blessed me) Anyway...(u loved me)  
I'm Not Perfect  
(u gave ur life for me)  
So how can I...  
(act like I don't hear u) Always...

(Let me come back to u)

Anyway...

(forgive me)

(Lord I'll never never turn my back on you again)I'm Not Perfect but I'm trying  
(when u needed me there were a few times I didn't come running)

I'm Not Perfect but I'm working

(when u wanted more I would give u less and Lord I'm sorry)

I'm Not Perfect but I'm getting closer the more that I know u

(Please give me another chance)

I'm Not Perfect but I'm better than I was on yesterday
