

# Many the Miles

Sara Bareilles

There's too many things that i haven't done yet  
Too many sunsets  
I haven't seen  
You can't waste the day wishing it'd slow down  
You would've thought by now I'd have learned something  
Yeah yeah yeah yeah  
I made up my mind when I was a young girl  
I've been given this one world  
I won't worry it away, no  
But now and again I lose sight of the good life I get stuck in a low light  
But then love comes in  
How far do I have to go to get to you  
Many the miles  
Many the miles  
How far do I have to go to get to you  
Many the miles  
But send me the miles and I'll be  
Happy to follow you love  
I do what I can wherever I end up  
To keep giving my good love  
And spreading it around Cause I've had my fare share of take care and  
goodbyes  
I've learned how to cry  
And I'm better for that  
Sing, how far do I have to go to get to you Many the miles Many the miles  
Oh oh oh  
How far do I have to go to get to you  
Many the miles  
Send me the miles and I'll be happy to, yeah  
Yeah yeah yeah yeah  
Red letter day, I'm in a blue mood  
Wishing that blue would just carry me away  
I've been talking to God don't know  
If it's helping or not  
But surely something has got to got to got to give  
Cause I can't keep waiting to live  
How far do i have to go to get to you  
Many the miles  
Many the miles  
How far do i have to go to get to you  
Many the miles  
But send me the miles and I'll be happy to yeah

How far do I have to go to get to you  
Many the miles  
Many the miles  
How far do I have to go to get to you  
Many the miles  
Many the miles I've been talking to God don't know if it's helping or not  
Many the miles  
Many the miles  
How far do I have to go to get to you  
Many the miles  
Oh send me the miles and I'll be happy to  
Follow you, love  
There's too many things I haven't done yet  
Too many sunsets I haven't seen
