

# Poems, Prayers and Promises

## John Denver

I've been lately thinking about my life's time  
All the things I've done and how it's been  
And I can't help believin' in my own mind  
I know I'm gonna hate to see it end  
I've seen a lot of sunshine, slept out in the rain  
Spent a night or two all on my own  
And I've known my lady's pleasures  
Had myself some friends  
And spent a time or two in my own home  
I have to say it now it's been a good life all in all  
It's really fine to have a chance to hang around  
And lie there by the fire and watch the evenin' tire  
Along with friends and my old lady  
Sit and pass a pipe around  
And talk of poems and prayers and promises  
And things that we believe in  
How sweet it is to love someone  
How right it is to care  
How long it's been since yesterday  
What about tomorrow  
What about our dreams  
And all the memories we share  
The days they pass so quickly now  
The nights are seldom long  
And time around me whispers when it's cold  
The changes somehow frighten me, still I have to smile  
It turns me on to think of growin' old  
For though the life's been good to me  
There's still so much to do  
So many things my mind has never known  
I'd like to raise a family, I'd like to sail away  
And dance across the mountains on the moon  
And I have to say it now it's been a good life all in  
all  
It's really fine to have a chance to hang around  
And lie there by the fire and watch the evenin' tire  
Along with friends and my old lady  
Sit and pass a pipe around  
And talk of poems and prayers and promises  
And things that we believe in  
How sweet it is to love someone  
How right it is to care  
How long it's been since yesterday

What about tomorrow  
What about our dreams  
And all the memories we share
