## Unbelievable

## **Diamond Rio**

She's so kissable, huggable Lovable, unbelievable She's a mouthful of anything

And everything a man could wantShe ain't typical, she's unpredictable

She's available, it's a miracle

How my heart stumbled into someone

So kissable, huggable, lovable, unbelievableUp 'til now my life has been

So lonely and boring

I never thought I would find someone

So elegant, intelligent

Heaven sent, all my money spent

I put a big down payment

On that itty bitty diamond ringShe's so beautiful, it's indisputable

It's undeniable, she's got-to-havable

She's music to my ears and makes my heart sing

So kissable, huggable, lovable, unbelievableThere's so many things I want to tell her

I got to love her

But every time I talk, I start to stutterShe's so elegant, intelligent

Heaven sent, all my money spent

I put a big down payment

On that itty bitty diamond ring

She's so beautiful, it's indisputable

It's undeniable, she's got-to-havable

She's music to my ears and makes my heart sing

Say kissable, huggable, lovable, unbelievableKissable, huggable, lovable, unbelievable

Kissable, huggable, lovable, unbelievable

Kissable, huggable, lovable, unbelievable
