

# No Matter What You Do

## Benny Benassi & The Biz

Tell me what your spirit says

show me what you pray

teach me every single part

I'll be your guide

you are a prisoner

looking for to be.

you can change your face

but can't change your mind

no matter what do you do

no matter what do you do

no matter what do you do

no matter what do you do

no matter what do you do

no matter what do you do

no matter what do you do

Tell me what your spirit says

show me what you pray

teach me every single part

I'll be your guide

you are a prisoner

looking for to be.

you can change your face

but can't change your mind

no matter what do you do

no matter what do you do

no matter what do you do

no matter what do you do

no matter what do you do

no matter what do you do

no matter what do you do

Tell me what your spirit says

show me what you pray

teach me every single part

I'll be your guide

you are a prisoner

looking for to be.

you can change your face

but can't change your part

no matter what do you do

no matter what do you do

no matter what do you do

no matter what do you do

Tell me what your spirit says  
show me what you pray  
teach me every single part

I'll be your guide  
you are a prisoner  
looking for to be.

you can change your face  
but can't change your mind  
no matter what do you do  
no matter what do you do  
no matter what do you do  
no matter what do you do  
no matter what do you do  
no matter what do you do

no matter what do you doTell me what your spirit says

show me what you pray  
teach me every single part

I'll be your guide  
you are a prisoner  
looking for to be.

you can change your face  
but can't change your mind  
no matter what do you do  
no matter what do you do  
no matter what do you do  
no matter what do you do  
no matter what do you do  
no matter what do you do  
no matter what do you do
