

# Uptown Vibes (feat. Fabolous & Anuel AA)

## Meek Mill

[Intro: Meek Mill]

Papamitrou Boi

Spanish bitch, from uptown

I pull up, bust down

Yeah, oh[Verse 1: Meek Mill]

Ven aquí, diamonds choke, I choke my Spanish loca

In the kitchen, whippin' that dope up, you can smell her odour

[?] pictching and we gon' hit it like we Sammy Sosa (Gimme that)

Put that Bentley to the limit, you can smell her odour (Skrt)

Ho, Spanish bitches call me Chulo

When I'm pullin' up in that two door

Diamonds different colour, uno

All these hunnids on me, mami, make my pockets look like sumo

I got money out the ass, I finger pop you in your culo

When I hit you with that, you know (You know)

You know, smoke a little hookah (Hookah)

Kick it like it's Judo (Judo)

Let you hit the OG (OG)

Sip some 42 tho' (Yeah)

And when we get in mood, I'ma dog it like I'm Cujo, woah

[Chorus: Meek Mill]

Heard they tryna steal the wave, cut it out, cut it out

Spicy mamis on the way, bust it down, bust it down

Saw my watch, she love the way I flood it out, ayy

Talk to me nice, show you what these Bentley 'bout, woah

Pipe down, throwin' up shots

First we shut them down, then we open up shop

Realest nigga around just in case y'all forgot

They've been tryna stop the wave but the wave don't stop[Verse 2: Fabolous]

Uptown, nigga

I was down, but they see, I'm up now, nigga

Head high 'cause I'm holdin' up my crown, nigga

Never told even through the ups and downs, nigga

And if I D'usse, it's a cup of brown, nigga

Only way I double cross is

I just keep spinning, only to make 'em nauseous

Dimelo, mami, like salsa, we could dip

I'm just tryna see you dance, salsa on a dick, woah

It went down, she came up, you know

Y'all take shots, y'all aim up, you know

Hate on low, but we fly high, you know
