

Demoralize (1995)

Circle of Dust

Force your opinions on the minds of the young
Feeding poison to hungry souls
Prepare them for their self destruction
Laughing as you watch them die
Lie to me your lie Make your own concept of what's right and what's wrong
Feeding poison to hungry souls
Prepare to pay for your destruction
Your day of judgment draweth night
(Demoralize) Converting millions to your lies
(Demoralize)
Your day of judgment draweth night
Reflecting your master
Creator of lies
Sowing disaster
Disaster you also shall reap
(Demoralize)
(Demoralize)
(Demoralize)
(Demoralize)
(Demoralize)
(The day of judgement draweth night)
(Demoralize)
(The day of judgement draweth night)
