

Did It Hurt?

Never Shout Never

I've been waiting my whole life for a someone like you
To go and pick me up and take away my blues
It's been one hell of a year in my own shoes
But I've got some questions for you Did it hurt when you fell from heaven?
Did it hurt just to know I was right here awaiting?
Did you know? Do you know
It was love from the first time we touched? I've been waiting my whole life for a someone like
you
To go and steal my heart just the way you do
It's been one hell of a year here waiting on you
So I've got some questions for you
Did it hurt when you fell from heaven?
Did it hurt just to know I was right here awaiting?
Did you know? Do you know
It was love from the first time we touched?
Fa, la, ooh, ooh, ooh, ooh
Do, do, do, do, do
