

Uber Everywhere

MadeinTYO

Nawfside cooling, shorty, yeah that's where I stay
Heard you was a lame boy, get up out my face
And my ex keep calling, swear that she be in the way
And I need a thick Redbone shorty where I lay
Bad bihh in LA tell me that she'll make the trip
Shorty bad as hell, yeah, with them Kylie Jenner lips
Uber every fucking where, pre-rolls in my VIP
Canada jawn, yeah I think that bitch from the 6
Shorty wanna kiss me, but I know she sucking
dick
Shorty wanna kiss me, but I know she sucking dick
Look, Uber everywhere, pre-rolls in the VIP
Yeah, Uber everywhere, pre-rolls in my VIP
Aye (skrr skrr) Yeah, I wanna get the 'Rari, but I know it takes some time (skrr skrr) Pre-roll
shorty light it up you know you fine
Lil 5 with my 5 and I'm rolling up the gat
And I need my leg room, Bapestas, first class
East Atlanta jawn Cookout on Moreland Ave (skrr skrr)
Say she bout that ass shit but I think that Imma pass
Shorty wanna fuck me but I know I got

Shorty wanna fuck me but I just got some top (skrr skrr)
I can't fuck with ops never stop pull up in that juice box
Uber fucking everywhere
I can't fuck with ops never stop pull up in that juice box
Uber fucking everywhere
Uber everywhere, pre-rolls in my VIP (skrr skrr)
Uber everywhere, pre-rolls in my VIP
And I think that bitch from canada
I think she from the 6
Uber everywhere, pre-rolls in the VIP
Hey hey hey (skrr skrr)
Hey hey hey (skrr skrr)
Hey hey hey (skrr skrr)
Hey hey hey (skrr skrr)
Uber everywhere, pre-rolls in my VIP (skrr skrr)
Uber everywhere, pre-rolls in my VIP
And I think that bitch from canada
I think she from the 6
Uber everywhere, pre-rolls in the VIP
