

Stand By My Woman

Lenny Kravitz

There were times i wasn't kind
and there were times i wasn't even around
and there were times i made you cry
so many times i had to say goodbye
When you want to talk
I'm on the phone
but now baby i am here for you alone
I'm gonna stand by my woman now
I'm gonna stand by my woman now
'cause I can't live my life alone
without a home
There were times i didn't understand
and there were times i wouldn't hold your hand
but now baby now I'm here for you
'cause baby I am so in love with you
I'm gonna stand by my woman now
I'm gonna stand by my woman now
'cause I can't live my life alone
without a home
I'm gonna stand by my woman now
I'm gonna stand by my woman now
'cause i can't live my life alone
without a home
I'm gonna stand by my woman now
I'm gonna stand by my woman now
'cause i can't live my life alone
without a home
stand by my woman now
I'm gonna stand by my woman now
'cause i can't live my life alone
without a home
without a home
