## Selena Gomez

Toh-ta-da-da-da-ta-da-ta-da  
Ta-da-da-da-ta-da-ta-da  
Ta-da-da-da-ta-daShe was too young to be the Hollywood type  
Too pure to understand the lows and the highs  
She didn't know if she was gonna survive  
It all got so much better with timeAll of the evil eyes  
Tequila before sunrise  
I'd tell her to watch her back  
That she's worth more than that  
'Cause she was a girl with good intentions  
Yeah, she made some bad decisions  
And she learned a couple lessons  
Wish I could tell her  
She was a girl with good intentions  
Didn't need the second guessing  
Didn't need to ever question  
Wish I could tell herShe didn't know all of the hurt she could take  
Her world was crumbling and so was her faith  
Wish I could talk to her, 'cause what I would say  
"Oh baby, you're enough to get you out of this place"All of the flashing lights  
Tequila before sunrise  
I'd tell her to watch her back  
That she's worth more than that  
But she was a girl with good intentions  
Yeah, she made some bad decisions  
And she learned a couple lessons  
Wish I could tell her  
She was a girl with good intentions  
Didn't need the second guessing  
Didn't need to ever question  
Wish I could tell herToh-ta-da-da-da-ta-da-ta-da  
Ta-da-da-da-ta-da-ta-da  
Ta-da-da-da-ta-da  
I tried to tell herI know you'll get the chance, to find who you are  
I know you'll have the choice, before it gets too dark  
I know you'll get the chance to find who you are  
I know you'll have the choiceShe was a girl with good intentions  
Yeah, she made some bad decisions  
And she learned a couple lessons  
Wish I could tell her  
She was a girl with good intentions (Wish I could show you)  
Didn't need the second guessing (Wish I could show you)

Didn't need to ever question  
Wish I could tell her Toh-ta-da-da-da-ta-da-ta-da (Wish I could show you)  
Ta-da-da-da-ta-da-ta-da  
Ta-da-da-da-ta-da-ta-da (Wish I could show you)  
Toh-ta-da-da-da-ta-da-ta-da (Wish I could show you)  
Ta-da-da-da-ta-da-ta-da  
Ta-da-da-da-ta-da-ta-da  
She could show you
