

I Don't Wanna Go to Bed (feat. Nelly)

Simple Plan

I don't wanna go to bed without you!
This is Simple Plan!
I don't wanna go to bed without you!
Talk to me! I gotta tell you the truth,
I'm full of broken pieces, and all my nights are sleepless
And I don't mean to be rude,
The secret, can you keep it?
Won't give up being misfit
Takes me all night, takes my whole life
Just won't feel right (until I have you)
Tired eyes burn, when will I learn?
Tell me what to do!
I don't wanna go to bed,
I don't wanna go to bed, no-oooh
I don't wanna go to bed,
I don't wanna go to bed without you! I don't wanna go to bed,
I don't wanna go to bed, no-oooh
I don't wanna go to bed,
I don't wanna go to bed without you! Let's get this out of the way
Why should we wait forever?
We're meant to be together
I'm not ashamed to say
Let me tell you one time,
You don't remember my name
But I still want you the same
Love at first sight left me tongue-tied
Just won't feel right (until I have you)
Tired eyes burn, when will I learn?
Tell me what to do! Sing it!
I don't wanna go to bed,
I don't wanna go to bed, no-oooh
I don't wanna go to bed,
I don't wanna go to bed without you! I don't wanna go to bed,
I don't wanna go to bed, no-oooh
I don't wanna go to bed,
I don't wanna go to bed without you! I don't wanna go to bed without you
No you, no life, no sleep without you
Go crazy with you, go crazy without you
Her dreams, her nightmares about to???
Can't lie, love at first sight
Love at first night, I took my first bite
I'm insane when I take aim,

Like I can't change with middle range
Love at first sight left me tongue tied
Just won't feel right (until I have you)
Tired eyes burn, when will I learn?
Tell me what to do! Sing it! I don't wanna go to bed,
I don't wanna go to bed, no-oooh
I don't wanna go to bed,
I don't wanna go to bed without you! I don't wanna go to bed,
I don't wanna go to bed, no-oooh
I don't wanna go to bed,
I don't wanna go to bed without you! I don't wanna go to bed without you
No you, no life, no sleep without you.
I don't wanna go to bed without you
No you, no life, no sleep without you.
