RY X

- Shortline -
Rushing water
Unkeeps the colour
Turn the cheeks in shadow
At the shortlineWho am willing
Undress your heart string
Follow the thick thing boy
On your shortline
Let's run to shelter
From violence for us that haven't
Hold our tounes and feel our lungs
On the shortline
On the shortlineOn the shortline
On the shortlineOn the shortlineOn the shortlineThis is an amazing song- Love Lizette
