

Girls in Bikinis

Poppy

They say take it off
I say keep it on
Van Gogh, crop top, boy short, red thong
I see you in my dreams
Slow motion movie scenes
Homemade, crochet, dreamy with the low waist
Cheeky, tankini
Girls in bikinis
Girls in bikinis on roller skates, in outer space
I see
Girls in bikinis
Girls in bikinis and platform heels, in new hot wheels
Girls in bikinis
Girls in bikinis, ooh
Nylon, spandex, dear lord, what's next?
Polyester, pin stripe, wet my appetite
Polka dots, see through, put me in a good mood
A-cup, D-cup, give me love don't cover up
Slow down my Lamborghini for
Girls in bikinis
Girls in bikinis on roller skates, in outer space
I see
Girls in bikinis
Girls in bikinis and platform heels, in new hot wheels
Girls in bikinis
Girls in bikinis, ooh
I wanna see boys in bikinis too
They'd look good on you
Girls in bikinis
Girls in bikinis on roller skates, in outer space
I see
Girls in bikinis
Girls in bikinis and platform heels, in new hot wheels
Girls in bikinis
Girls in bikinis, ooh
