

Engine No. 9

Deftones

Yeah!

This ain't no motherfuckin' stick up, pick the stick up
And watch it roll real close, rolling out of my hand 'til
It cracks to that fucking dome, living off the curb
That peels you from the curb, a lick rest off, do you dig
Many in '93 been making them fools go 'bout
Round bumping around me, you'll want to run from underground
At the best, walk the line from the verb
On the beats, I won't see your fuckin' head
Peers I flow, and mother she
Won't drain herself, and won't be caught in
And live in a big world began, just because
My life's unrise, wipe
Lyrical, did
Because my life's unrise, wipe
Lyrical, did
I get more shit out
Bringin' in, because
My life's unrise, wipe
Lyrical, did
Because my life's unrise, wipe
Lyrical, did
Get straight quickly
Making fools go down, bumping around me
You'll want to see from underground
To that side, five blocks from the verb
Now, 'cause he can't see you, fuckin' head
Peers I flow, and mother she
Won't drain herself, and won't be caught in this big
She did what, she did what, she did what, she did
Because my life's unrise, wipe
Lyrical, did
Because my life's unrise, wipe
Lyrical, did
I get into shit
Bringin' in because
My life's unrise, wipe
Lyrical, did
Let me to
Lyrical, did
Bringin' to the
Wipe did, wipe did
Love mother in
Cut it in! That's why (why?) lyrical

That's why (why?) lyrical
Bringin' in because
My life's unrise, wipe
Lyrical, did
Motherfucker, wipe
Lyrical, did
Make it to the
Wipe did, wipe did
Wipe did, wipe did
No more
