

# I Love You More Than You'll Ever Know

Beth Hart & Joe Bonamassa

If I ever leave you, baby  
You can say that I told you so  
And if I ever hurt you  
You know I hurt myself as well(Chorus)  
How is that any way for a woman to carry on?  
Do you think I want my love long gone?  
Said I love you more than you'll ever know  
Than you'll ever know...(Verse)  
When I wasn't making much money  
You know where my paycheck went  
You know I brought it home to you, baby  
And I never spent a red cent  
(Chorus)  
How is that any way for a woman to carry on?  
Do you think I want my love long gone?  
Said I love you more than you'll ever know  
More than you'll ever know(Verse)  
I'm not trying to be  
Just any kind of woman, no I ain't  
I'm just trying to be somebody  
You can love, trust and understand  
I know, I know, I know that I can be  
A part of you  
But no one else can see, yea  
But I got to hear you say  
I got to hear you say  
It's alright, it's alright  
(Verse)  
I'm only flesh and bone  
But I could be anything that you demand  
I could be clean of everything  
Or just a tiny grain of sand(Chorus)  
Is that any way for a woman to carry on?  
Do you think I want my love long gone?  
Said I love you more than you'll ever know  
Said I love you  
I love you, I love you  
I love you baby baby more than you'll ever know  
More than you'll ever know  
More than you'll ever know
