

# They Say It's Wonderful

John Coltrane & Johnny Hartman

They say that falling in love is wonderful  
So wonderful, so they say  
The thing that's known as romance is wonderful  
So wonderful, so they tell me  
I can't recall who said it, I know I never read it  
I only know they tell me that love is grand and  
If there's a moon up above, it's wonderful  
Wonderful in every way, so they say  
You leave your house one morning  
And without any warning  
You find shoutin' that love is grand  
To hold your girl in your arms is wonderful  
Wonderful in every way, so they say
