

# Heaven Nor Hell

## Volbeat

Well I've heard that the devil's walking around  
I sold my soul way down in the dirt  
But stole it back and forever in debt  
And for a moment I don't even care  
Until I felt his breath at my neck  
And maybe even you can feel it too  
He's on a strike and looking at you Holding onto his words, but baby  
I saw an angel become the devil  
Still they look pretty good hand in hand  
Well baby, I don't need any of them  
Heaven nor hell

Well, I've heard that the morning star of a prince  
Was invoked on a Monday on earth  
I found his business card in the mud  
And for a moment I don't even care  
Until I felt his blood at my neck  
And maybe even you can feel it too  
He's on a strike and looking at you Holding onto his words, but baby  
I saw an angel become the devil  
Still they look pretty good hand in hand  
Well baby, I don't need any of them  
Heaven nor hell Evil came down on earth  
And it beholds more than you love  
More than you love  
Heaven don't fall on earth  
What you behold is no longer a word  
No longer a word

Well I've heard that the devil is walking around  
I sold my soul way down in the dirt  
But stole it back and forever in debt  
And for a moment I don't even care  
Until I felt his blood at my neck And maybe even you can feel it too  
He's on a strike and looking at you  
Holding onto his words but baby  
I saw an angel become the devil  
Still they look pretty good hand in hand  
But baby, I don't need any of them  
Heaven nor hell
