

# Candy Shop

## Madonna

See which flavor you like and I'll have it for you  
Come on in to my store, I've got candy galore  
Don't pretend you're not hungry, I've seen it before  
I've got Turkish Delight, baby, and so much more  
Get up out of your seat (your seat)  
Come on up to the dance floor  
I've got something so sweet (so sweet)  
Come on up to the front door  
I need plenty of heat (heat)  
Form a special confection  
Just start moving your feet (your feet)  
Move on over to me  
I'll be your one stop (one stop)  
Candy shop (candy shop)  
Everything (everything)  
That I got (that I got)  
I'll be your one stop (one stop)  
Candy store (candy store)  
Lollipop (lollipop)  
Have some more (have some more)  
All day suckers are not what we sell in the store  
Chocolate kisses so good, you'll be begging for more  
Don't pretend you're not hungry, there's plenty to eat  
Come on into my store, cause my sugar is sweet  
Get up out of your seat (your seat)  
Come on up to the dance floor  
I've got something so sweet (so sweet)  
Come on up to the front door
