

# Do Your Thang (Featuring Felecia & Krayzie Bone)

## Layzie Bone

From Monday to Friday  
Your schedule's so demanding  
Hardly have any time to breathe  
Maybe even forget to eat  
This is just how Bizzy  
Your life in this, Krayzie  
Don't you Wish You could be Layzie  
Well relax your Flesh  
Do your damn thing baby(Chorus - repeat 2X)  
Everybody feel the flow and do your thang (do your thang)  
We're havin a good time everything's gonna be ok (be ok)  
(Layzie Bone)

I can tell you feel the pressure  
I can see it written all over your face and  
Need a vacation, from your situation  
Just let your hair down, do what you want too  
Kick it in a place, "Where everybody knows your name"  
Let your heart be free  
And everybody know how hard life can be  
And just as long as your breathin' baby  
It don't matter what your doin', you can get it baby  
So gon' and maintain  
Main thang, is survive the game  
You gotta get up on your feet and just do your thang  
Wipe the tears from your eyes  
Know you gon' ride  
You can't make it if you don't try  
Give up and you gon' die  
It's only life you gotta love it or leave it  
Here today and gon' tomorrow  
Man you better believe it  
Time is tickin' so don't play wit it  
And you if you ask me how I'm knowin'  
Little Lay did it  
(Krayzie Bone)

Back up and let me do my thang  
I "got up and got it" and did it like the song say  
If you think I'm slouchin' the game  
Ya'll don't know Kray  
24-7 I'm on the grind

And ain't no more stressin'  
I'm tryna ride to the good life  
Had to shake a lot of bustas, now I'm sucka-free  
Thuggish ruggish til the day the lord come for me  
So watch out now!  
Them niggas on the roll  
Collectin' mo' triple-O, mo' triple-O zeros, zeros zeros(Chorus)(Felecia)  
Some situations carry too much weight (weight)  
And I know it seems like, it's too much to take (take)  
So when you get burdoned, know life ain't perfect  
Just relax yourself, do the damn thing baby(Chorus)We're havin' a goodtime everything's gonna  
be ok (be ok)  
We're havin' a goodtime  
We're havin' a goodtimeWe're havin' a goodtime leave your cares all behind  
We're havin' a goodtime  
We're havin' a goodtime(Chorus) - repeat 2XEverything's gonna be ok, o-k  
Everything's gonna be, ok  
Everything's gonna be, ok  
Everything's gonna be, ok  
Everything's gonna be, ok  
Everything's gonna be, ok  
Everything's gonna be, ok  
Everything's gonna be, ok
