

# Wednesday Morning Atonement

## Curtis Harding

Hello children.  
Well it's been, such a very long time,  
now i finally found the mind to explain.  
Where I've been living.  
I know I need to stay waiting on these better days.  
Simple is try.  
Now I severe in the way.  
Now I finally can say that I love you.  
I wanted you to know.  
Now I severe in the way.  
Now I finally can stay that I love you  
Cause I love you.  
Cause I love youuh, Well.  
Tell your mother, I've been saving  
working here all alone  
Trying to build a happy home.  
See most people are never given a  
second chance to be a better man maybe.  
He can move on.  
There are certain in the way  
Now I finally can say that I love you.  
I wanted you to know.  
There are certain in the way.  
Now I can finally can stay  
Cause I love you.  
Cause I love you.  
(End)
