

Tears Don't Fall

Bullet for My Valentine

Let's go!

With blood shot eyes I watch you sleeping
The warmth I feel beside me is slowly fading

Would she hear me, if I called her name?

Would she hold me if she knew my shame?

There's always something different going wrong

The path I walk's in the wrong direction

There's always someone fucking hanging on

Can anybody help me make things better?

Your tears don't fall they crash around me

Her conscience calls the guilty to come home

Your tears don't fall they crash around me

Her conscience calls the guilty to come home

The moments die, I hear no screaming

The visions left inside me are slowly fading

Would she hear me, if I called her name?

Would she hold me, if she knew my shame?

There's always something different going wrong

The path I walk's in the wrong direction

There's always someone fucking hanging on

Can anybody help me make things better?

Your tears don't fall they crash around me

Her conscience calls the guilty to come home

Your tears don't fall they crash around me

Her conscience calls the guilty to come home

Oh!

Yeah!

This battered room I've seen before

The broken bones they heal no more, no more

With my last breath I'm choking

Will this ever end? I'm hoping

My world is over one more time.

Let's Go!

Guitar Solo

Would she hear me, if I called her name?

Would she hold me, if she knew my shame?

There's always something different going wrong

The path I walk's in the wrong direction

There's always someone fucking hanging on

Can anybody help me make things better?

Your tears don't fall they crash around me

Her conscience calls the guilty to come home

(Tears don't fall)
Your tears don't fall they crash around me
(Conscience calls)
Her conscience calls the guilty to come
BETTER!
Your tears don't fall
They Crash around me
Her conscience calls the guilty to come HOME!
