

# I'm Losing You All Over Again

[Keith Whitley](#)

Everywhere I turn someone reminds me of you  
I remember all the things that we used to do  
I think I'm over you and then  
I'm losing you all over again I smell the fragrance of your sweet perfume  
It still lingers in my lonely room  
I think of things that might have been  
And I'm losing you all over again It feels just like it did the day you left  
Over and over I can't help myself  
It seems to me no matter what I try  
I'm right back where I was the day you said goodbye  
I tried to go with somebody new  
I changed my hangouts and the things I do  
Just when I think my heart will mend  
I'm losing you all over again It feels just like it did the day you left  
Over and over I can't help myself  
It seems to me no matter what I try  
I'm right back where I was the day you said goodbye  
I tried to go with somebody new  
I changed my hangouts and the things I do  
Just when I think my heart will mend  
I'm losing you all over  
Over and over... again.
