End of Me (feat. Gavin Rossdale)

Apocalyptica

Rosaries left under the mattress
All those memories who could bear the witness
As you slip into oblivion, use it like a weapon
Am I left to bleed waiting for the moment when you've had your fun

A loaded gunTake away your broken misery, I can't always erase your memory

This love, this love is gonna be the end of me

Everything I gave is wasted, I'm the one who's suffocated

This love, this love is gonna be the end of

Can't resist poisoning the message

Just a narcissist trapped inside the wreckage

And the sympathy I had is gone deadened by the ceremony

Drama queen stand behind your rampart as your kingdom falls all because Take away your broken misery, I can't always erase your memory

This love, this love is gonna be the end of me.

Everything I gave is wasted, I'm the one who suffocated

This love, this love is gonna be the end of meYour rescue, my undo

I'm not the one to save you

I'm empty completely

I'm drowning in your shadowTake away your broken misery, I can't always erase your memory

This love, this love is gonna be the end of me.

Everything I gave is wasted, I'm the one who suffocated

This love, this love is gonna be the end of

Can't chase away your ghost, inside it only grows

Nothing left but misery

This will be the end of me

All the shit that you created, all the scars you celebrated

Couldn't take away your pain

Couldn't resurrect your gain

This love will be the end of me, this love will be the end.
