## Dethklok

I am be dangerous now  
Not me urt  
When stairs fell down  
Be pushed by you  
Me hit head  
Me nose broke  
Soon you be deadSoon you be deadSo strong my face is  
You punch break fingers  
Kick me you're limping  
Stab me you're bleeding  
I am be angerous now  
You throwing rock at me  
Hit eye and it no hurt me  
I'm strong  
You're notYou're not  
I'm making time for fighting  
I'm clearing time for hitting  
We'll meet, I will beat you  
Our schedules permitting  
I pick out fighting outfitDon't want my pants too tight  
Need clothes to breathe to beat you  
You'll be beaten down tonight  
I'm so fucking tough  
I'm so fucking tough  
That's right  
I'm so fucking tough  
I'm so fucking tough  
That's right  
I'm so fucking tough  
I'm so fucking tough  
That's right  
I'm so fucking tough  
I'm so fucking tough  
That's right  
I'm so fucking tough  
I'm so fucking tough  
That's right  
You're an ugly man  
You're as dumb as sand  
Your mom's fucking fat  
Your mom blew a rat  
You are a mistake  
You have sex with cake  
You think you're so tough  
You're a nothing bluff

I will put you down  
I will make you drown  
I will make you bleed  
I am filled with speed  
I cannot feel pain I might be insane  
I am victory  
I write history  
Feel my fist on your face  
You hate this  
I feel great  
One, two, three, four Five, six, seven, eight  
One, two, three, four  
Five, six, seven, eight
