

# When I Give My Love to You

[Michael Franks](#)

Whenever I am lost at sea  
I remember you are here with me  
You surrender to the fantasy  
When I give my love to you  
Running from the hurricane  
Helter-skelter in the wind and rain  
I find shelter, I find peace again  
When I give my love to you  
When I give my love to you  
I can feel the downtime ending  
And I ain't pretending  
Words can simply not reveal  
The degree of ecstasy  
Only you can make me feel  
When you give your love to me  
Lover, when the world's too square  
I discover you are always there  
And no other lover can compare  
When I give my love to you.
