

Call It Love

Yello

For all these years I've been rushing and running away
I've seen the cities the bars and the beaches
A fool to keep away from you I know I meet you a day for a lifetime, I'm scared
One thousand years I can live on your smile
No escape, I'll run away forever Call it love, just call it love For all this time I've been crazy
there is no escape
I'm back in the city, I'm back in my hometown and wait
I see your eyes forever
I know I meet you a day for a lifetime, I'm scared
One thousand years I can live on your smile
No escape, I'll run away forever
